

OBJECTIVE

Seeking any potential research opportunities or internships that will help me develop technical skills that will be of use in the near future.

EDUCATION

University of Florida

Bachelor of Science in Computer Engineering

Minor in Mathematics

Gainesville, Florida

Current GPA: 3.12

Fall 2020

ORGANIZATIONS / CLUBS

University of Florida: SAPA Web Development - Gainesville, FL

Jan. 2019-
May. 2019

- The SAPA's online website seeks to provide a more manageable method of keeping track of members points, information, and of community events than current Excel spreadsheets. The implementation of CRUD of any database management system allows signed-in Members to view upcoming events and manage their profile while Administrators will be able to create events and contact the members.

University of Florida: Association of Computer Engineers, Member - Gainesville, FL

Aug. 2016 –
Present

- Assist in creating and managing events, workshops, and projects where UF students from computer engineering or other related majors can effectively collaborate, practicing all phases of computer engineering.

University of Florida: Semester Long Team Programing Project - Gainesville, FL

Aug. 2017 –
Dec. 2017

- I was the leading communicator and manager of a team undertaking the development of a text-based game. I provided individualize instructional task to team members and handled the documentation of the project to ensure the functionality and quality of the game.

VOLUNTEER EXPERIENCE

All-Aboard Tutoring, Volunteer - Miami, FL

- I provide after-school tutoring, through the All-Aboard Tutoring program, for elementary grade students. My tutoring focuses on individualize instruction and various educational services in order to assist the young students.

Aug. 2013 –
June 2017

AWARDS / ACHIEVEMENT

- 1st FBLA District Networking Competition 2015-16
- Elsa Glazer Academic Award 2015-16

WORK EXPERIENCES

Restaurant Cashier Assistant

June 2015–
July 2018

- I assisted in the management of cash and sales transactions of the restaurant. I also had a hand in promoting services, handling customer satisfaction, and greeting customers.
 - ❖ Employer: China Lee Supervisor: Natasha Wu Lee Location: Miami, Florida
